

Health Policy and the Ageing Well Science Challenge

Trina Tautau
Senior Policy Analyst
Health of Older People Policy
Ministry of Health

Health Policy Business Unit

Health Policy Business Unit – Who We Are

Purpose (why we exist):

Imagining and collaboratively designing future health and disability systems to improve people's lives.

Greatest imaginable challenge (what we are going to achieve in 10 years):

Achieving a people-centred, coordinated and sustainable system that supports people to get well, stay well and live well.

Focus (what we will focus on):

Delivering advice that brings real change.

**Country setting
& development status**
